Issue 13 – December 2019 and January 2020

Christmas to finish?

This year, as a benefice we have been focusing on the Bible, and we have looked at:

- The big picture story of creation, fall, the story of Israel, Jesus, the church and the new creation
- Key biblical themes like the Holy Spirit and being made in the image of God
- Biblical books and genres like the Gospels, the Law & Psalms
- · Key themes from the prophets like social justice and calling
- Jesus as teacher, healer, saviour, as revealer and as love
- And the church as a spirit-filled community of generosity, learning, breaking bread, signs and wonders, and a common life together.

Some us have also been reading the Bible together cover to cover (with help from the Bible Project short films) and are nearing the end.

But as we come to the end of the year, we will be finishing our year of the Bible with Christmas. In one sense, the start of the Gospels feels like the middle of story. Is this really a good place to finish?

I'd like to suggest that Christmas may be the best place to finish. As we count down to Christmas in this season of Advent, we will be looking at how all the elements of the biblical story point to Jesus and his call on our lives. Jesus is not just in the middle of the Bible, but He is at the very heart of the story. And he invites us both to be part of his story and also to be at the heart of our lives. And this theme draws us into our key focus of 2020 - looking at what it means to "Walk with Jesus", with a key focus on his life and teaching and what that means for our lives today.

I pray that you may increasingly know your part in God's story and that Jesus would be at the heart of your life,

Rev Peter Francis, Rector of Rodborough, Woodchester and Brimscombe

ADVENT SERMON SERIES

As we conclude our year on the bible, our Advent sermon series draws on traditional Advent readings and themes, putting Jesus at the heart of the Biblical Story. In the 4 Sundays of Advent we will be exploring:

- The Problem: Sin & salvation
- The Prophesied Kingdom: Now & not yet
- The Patriarchs: Good news to all
- The Parents: The Obedience of Mary and Joseph

QUIET MORNINGS

We are starting a new series of quiet mornings – drawing on ancient wisdom that speaks into the heart of modern lives. These quiet mornings will be run in our benefice, but will be open to the diocese, so do book a space as soon as you are able. And feel free to bring a friend, the sessions will be accessible and welcoming with everything explained.

Advent Quiet mornings

Holy Trinity Brimscombe – Saturday 30th November and Thursday 5th December, 10am-12noon

As we begin a new church year in Advent these quiet mornings will be an opportunity to reflect on the last year, on God's presence in our Lives, and think about what we want to take into this new year. They will be an opportunity to start to encourage a greater sense of gratitude, God's presence and direction for our lives.

There will be a mix of teaching input and space to reflect and material to take away. We'll start with coffee at 10am and on the Thursday session you could follow the quiet morning with lunch at the Long Table (12-2) which costs £5. Amidst the busy rush of this season, come and enjoy some space. If you would like to come, please email Peter Francis.

New year Ignatian Quiet morning

Holy Trinity Brimscombe - Thursday 16th January, 10am -12 noon

What would it be like to read the Bible from the inside, stepping into one of the greatest stories ever written, and to let the story speak to you and to your life today? Come and transform the way you read the Gospels and let them transform you. There will be a mix of teaching input and space to reflect and material to take away. We'll start with coffee at 10am and you could follow the quiet morning with lunch at the Long Table (12-2) which costs £5.

If you would like to come please email Peter Francis. (peterfrancis777@gmail.com)

GROUP IN FOCUS: THURSDAY EVENING HOMEGROUP

When do you meet? Thursday evenings at 7.30pm.

Where do you meet? at Andrew Pemberton's house in North Woodchester.

What do you do? We have a time of Bible Study, usually following a study booklet through a chosen book of the Bible, then a time of conversation and prayer after which it's sometimes difficult to get up and go home from in front of the warm stove on cold winter evenings!

What are you studying at the moment? Paul's Letter to the Romans, which includes some of Paul's more elaborate writings, and which our study guide is good at explaining. We are also finding the J B Phillips translation and The Message version helpful to look at.

Who comes to the group? Members of our Woodchester congregation – but anyone else is welcome.

And if I was interested in coming along? Speak to **Andrew Pemberton** on 07973 187923.

BIBLE-IN-A-YEAR: READINGS FOR DECEMBER

Bible readings to complete the bible in a year are listed below. The reading plan completes on the 24th which gives you a few days to catch up, if needed.

INOV 24	2 Thessalonians	Dec 4	Hebrews 7-8	Dec 14	I John5, 2-3 John

Dec 3	Hebrews 5-6	Dec 13	I John 3-4	Dec 23	Revelation 19-20
				Dec 24	Revelation 21-22

The 2020 reading plan will be simply to read the Gospels as we focus on walking with Jesus. If you haven't joined in this year, do join in with reading the Gospels. Simply take some time to listen to Jesus and learn from Him. More details on reading the Gospels will be available before the new year.

If you wanted some study resources to help you (or wondered what to ask Santa for) do pop into the Scroll Eaters Christian Bookshop in Brunel Mall, Stroud and speak to Mike. I like the ESV Study Bible with 20,000 Bible notes. But in my view the best single book in the world (after the Bible) is the New Bible Commentary, which has almost 1500 pages explaining every chapter of every book of the Bible. It is written by top scholars, but in an accessible way. Both of these books are an investment for many years of bible study (and would be great companions for reading through the Gospels), and Mike will give you 20% off them if you come in with this magazine.

SWEP (SEVERE WEATHER EMERGENCY PROTOCOL)

Emergency Winter Night-shelter

We will be helping run the Winter Night-shelter again this year and our benefice will be organising Wednesday nights from January. As an emergency shelter it operates only when the temperatures are freezing. We cook and then eat with the guests in the evening, have some social time together (last year we played boardgames some evenings), and some of us will sleep over. This year it will be hosted in the newly-renovated Salvation Army Citadel in Acre Street. We currently have 11 people volunteering including some who can only come to help with the cooking. This is valuable opportunity to help some of the most vulnerable people in our community, so if you think you might be able to join us on some Wednesdays and would like to find out more – do speak to Fiona Short, Victoria Robson or Peter Francis.

LOOKING AHEAD TO JANUARY ...

This year the **World Day of Prayer** (formerly Women's Day of Prayer) service has been prepared by people of Zimbabwe. The theme is "Rise! Take up your mat and walk".

Here in our part of the world, on Friday 6th March, it will be presented by Holy Trinity Brimscombe.

In preparation for this service, people from Brimscombe, Minchinhampton Parish and Baptist Churches, Amberley, Woodchester and hopefully Rodborough, will be meeting up to plan how to present it, in the Upper Room at Holy Trinity Brimscombe, on Friday 31st January. All who can be available are welcome to join in.

Our final rehearsal will be on Friday 28th February. Any enquiries to Pauline Hill 01453 883197

LOOKING BACK TO REMEMBRANCE ...

I am always concerned as to what happens to the poppy wreaths etc that are left over. Looking at the British Legion website, I see that all poppies are recyclable at Sainsburys. *Pauline Hill*

WOODCHESTER

Woodchester Endowed С of Ε Primary School had a very successful prayer week at the beginning of November, focusing on the Lord's Prayer. The week was introduced by the Open the Book team who performed the story of the Prodigal Son. Rev Francis led the worship sessions on the next 4 days. The week finished with a "Lord's Prayer Experience" in St Mary's church, visited by all the schoolchildren: there were five activities for them, each of which was based on a section of the Lord's Prayer.

A memorial at Christmas

Christmas draws us all closer together and is a time for celebrating with family and friends, but it can also be the time when the pain of loss is felt most sharply. This Christmas, as last year, we will be offering everyone a chance to remember loved ones who are no longer with us.

We invite everyone who visits St Mary's at any time over the Christmas period to hang the name or names of loved ones who have died on our

prayer tree. Special cards will be provided near the tree.

We will remember them before God with thanks for their lives and the love they shared. *Liz Cole*
